

## **JESSE EDWARDS**

5375 Circle Drive, Jordan, Minnesota 55352  
Email: jesse.david.edwards.1987@gmail.com  
Cell: (612) 310-3414

---

### **QUALIFICATIONS SUMMARY**

- Proficiency in computer languages and frameworks: HTML5, CSS3, JavaScript, jQuery, Bootstrap, Express.js, React.js, Node.js, MongoDB, MySQL, etc.
  - Extensive knowledge of maintenance processes and repair of robotic equipment.
  - Extensive knowledge of troubleshooting electronic systems.
  - Extensive knowledge of welding, brazing, soldering and metal fabrication.
  - Strong computer skills: MS Office, Windows, Linux, OSX, Fusion 360, etc.
  - Experience managing teams of technicians.
- 

### **WORK EXPERIENCE**

**Lead Operating Engineer/Robotics Technician III**, May 2016 – August 2018

**Jones Lang LaSalle (Amazon Fulfillment Center), Shakopee, MN**

- Led a team of maintenance technicians in repair of Amazon Robotics equipment.
- Developed new procedures and standard work instructions.
- Worked with Amazon management to schedule maintenance and minimize impact to operations.
- Analyzed data and failures to improve machine reliability.
- Trained technicians in maintenance and safety procedures.
- Promoted safety culture through leadership.

**Welder/Product Development**, October 2013 – February 2016

**Aerospace Manufacturing Inc., Eagan, MN**

- Welded sheet metal and tubing to D17.1 and NADCAP specifications.
- Designed and built manufacturing tooling.
- Worked with engineers to design and implement improved manufacturing processes.
- Demonstrated continuous effort to improve operations, decreased turnaround times, streamlined work processes, and worked cooperatively and jointly to provide quality customer service.
- Trained other welders on new processes and products.

**Lead Welder**, 2010 – 2013

**Super Radiator Coils, Chaska, MN**

- Welded various tube and pipe to ASME U and ASME UM specifications.
  - Led a team of experienced welders to meet deadlines.
  - Trained new welders using advanced welding equipment.
- 

### **EDUCATION**

Full Stack Web Development Bootcamp 2019-2020

Hennepin Technical College, Eden Prairie, MN

Automation Robotics Engineering Technology

Associate of Applied Science Degree (May 2012)

Eden Prairie High School, Eden Prairie, MN

High School Diploma (June 2005)
